Harmonix Tuning Spike base

RF-900M Million

Thank you for purchasing Harmonix RF-900M Million.

The RF-900M Million is a small spike base but very powerful effect with the materials carefully selected. RF-900M Million is handcrafted by the maestro one by one, and we are sure that the customers who use it will be very satisfied. Effective use of RF-900M Million can be used only with RF-900M itself, but use TU-333EX under RF-900M Million or put RF-900M on RF-808Z Million.

An excellent synergistic effect can be obtained by using them together.

RF-900M Million Spike base principle:

Transforming and balance resonance

Materials: Hybrid of metal and wood

Size: 32mm (Φ) x 13mm(H)

Color: Barker wood and Black metal

Set of 4 pcs.

Wt. allowance: About 80 kg.

(RF-900M must be placed straight in the vertical direction.)

Advice: Enough break-in time, better tuning effect

As illustrated, tip of the spike must be placed in the center of the spike base.

If the size of spike is bigger than the hollow of the spike base, suggest not to use.
